Dean Hayes's Weekly Message

Greetings Founders Community,

Happy Rainy Friday! Can you believe it's raining again?!? I guess that's the theme of the summer. I hope you all enjoyed some good books and relaxation time.

Next week our Board of Trustees will meet to review the revised 23-24 budget as well as the handbooks. Charter schools received an increase in funding from the state back in June. This gives us some more flexibility to create building reserve funds and pay off some loans we have. While our budget is still tight, we are excited to create some more financial stability for our school and plan for future needs. Check back next week for these updated documents.

Looking forward to a sunny weekend!

-Cassie Hayes Dean of School

The Founders Mission Statement

The Founders Academy is a public chartered school encompassing grades 5 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.
