Food: Lunch is not being provided, however, there are a number of local restaurants that deliver.

**Event is Free and
Open to the Public**

Presented by:

2017-2018 NH *FIRST* Tech Challenge Sponsor

Morning Workshops

1. *Learn about the new FIRST Tech Challenge REV Robotics technology*
2. *Learn what is new for New Hampshire and the exciting season to come*

Afternoon Workshops:

Recommended for Rookies

1. **Build Session:** *Bring your robot kit and parts to this hands-on build session where you will learn to build a base robot, get an introduction to wiring and programming, and leave with a working robot*
2. **More Than RobotsSM:** *Participate in an introductory workshop where teams will learn about getting started, creating a business plan, managing logistics, recruiting students, fundraising, and preparing for competition*
