Dean Hayes's Weekly Message

Greetings Founders Community,

This past week we welcomed back all of our teachers. What an amazing group of educators we have! Your students are in GREAT hands. I could not be more excited!

We have been able to fill all of our positions except one science teacher (part time or full time), one English teacher, and one special education teacher, thanks to the support of our wonderful community. Thank you all for stepping up! Please continue to refer your friends and family if you know anyone who might be interested in these roles.

I am looking forward to a successful school year.

If you have any questions, please do not hesitate to reach out.

-Cassie Hayes
Dean of School

The Founders Mission Statement

The Founders Academy is a public chartered school encompassing grades 5 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

Senior Class Parent Group

A Founders parent would like to start a senior parent committee to help give our children the best senior year possible, build traditions and help grow the Founders community. The hope is that we can create a binder of ideas and traditions to pass off to the next group of senior parents for them to build upon.

The hope is to have an initial meeting in early August with the seniors and parents that want to attend to get an idea of what they would like to see happen in their senior year. Knowing that there is no budget, come up with some fundraisers that could help support these goals.

Some ideas for the seniors

- decorate their lockers
- senior parade
 - have those who have cars, decorate them and parade around school. Kids that do not, have them join their friends
- Senior Tshirts
 - have the seniors design a tshirt
- Senior week
 - senior sunrise and breakfast
 - time capsule

Some fundraising ideas:

Fall Mums - most people buy mums so it isn't asking a lot for people to buy but I would need to know this before mid August to get our name in with Dave the Mum guy (same as the other flowers we get).

Fall car wash - the kids could do this and it is mostly all profit and time

Again, it is about making our seniors have the best year possible!

If you are interested, please email Toni Cabral at toni.cabral@tfanh.org

Senior Walks

The Manchester Police Department hosts senior walks once per week with seniors in the community. They have invited The Founders Academy to partner with them so the participants are able to chat with current middle and high schoolers. We are looking for student volunteers to participate in this community service event. Additionally, we are looking for 1-2 parent drivers to help transport the students to and from school. Please know this event takes place during the school day. Here is more information on the program:
