From the Dean of School

Dean Hayes's Weekly Message

Greetings Founders Community,

Thank you all for the smooth transition to remote learning this week. I am so proud of all of our students. At this time we expect to be able to return to full in person learning on Monday, January 31, 2022. All students and teachers will be working from the building again on Monday. Any student who needs to be out should check in with their teacher directly for instructions on how to participate in class.

As always, please let me know if you have any questions.

-Cassie Hayes
Dean of School

The Founders Mission Statement

The Founders Academy is a public chartered school encompassing grades 6 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

Need to Know

NIGHTLOCKS

Earlier this week students received information about a school community project that we are working on. Each Round Table has been asked to organize a fundraiser to raise funds for the Nightlock for their Round Table room. This is a great way for students to take the lead on a project and give back to their community.

As I mentioned to the students, I want them to get creative and utilize their parents! So, how can you help? Parents and other community members can donate to the installation of the locks and/or other locks in the building. We look forward to all working together to give back to our school community. Please reach out to Dean Hayes for more information.

Here is a video about the Nightlock product:

PARENT EXEMPTION FORM STATE TESTING

If you would prefer to exempt your student from taking state testing, please click on [this link](#). To fill out the form you can either print it and send it into school with your student, or you can make a copy of the document (click File in the left-hand corner, then click Make a Copy), fill it out, and email it to cassie.hayes@tfanh.org.

SCHOOL MD CONSENT FORM

As you are aware, we have medical personnel on staff from 7am to 10am every day. From 10am-3pm they are now offering remote services for us to access. If a student needs minor medical assistance, like a COVID test or other diagnostic services, we call the parent for consent. To expedite this process, we have created a form that parents can fill out to give us consent for our medical personnel to work with students.

[Here](#) is the consent form. Once you click the link, a message will pop up saying "Would you like to make a copy of the document?" **Please make sure you click the blue button that says "Make a copy."** This will ensure that you can fill out the document.

Completed forms can be emailed or dropped off to the front desk.

POSITIONS OPEN

We are looking to fill these following positions:

- Paraprofessional

If you are interested in any of these positions or know of anyone who would be interested, resumes can be sent to Dean Hayes at cassie.hayes@tfanh.org.

SASS RESULT ACCOUNT LOG-IN

To find your students' SASS results, follow [these instructions](#) to log in to your account.

BEFORE SCHOOL CARE/AFTERNOON HOMEWORK CLUB

Notice: When you send in a check or cash for before school care and/or homework club, please specify on the check or the envelope which dates you are paying for and if you are paying for before school care, homework club, or both.

Founders offers before and after school care for students. These programs will start the first day of school. Before school care allows for students to be dropped off at 7am (as opposed to regular drop off at 7:20). After school care, Homework Club, runs from 3:15-6:00pm. Students will have academic and social/emotional support during Homework Club.

To join these programs, please fill out this [form](#).

CALL LIST FOR IMPORTANT ANNOUNCEMENTS

When The Founders Academy has to make very important announcements - such as school delays, unplanned early dismissals, or cancellations - we use an automated dialing system. Due to this year's pandemic, it is especially important for parents/guardians to receive these calls so that we can quickly distribute information regarding our school.

Please fill out [this form](#) to be added to the Call List. You are able to enter which phone numbers are called. If you have more than one student, please fill out a separate form for each. **We begin each school year with a blank call list, so if you do not fill out this form, you will not receive any phone notifications when we have school delays or cancellations (even if you filled this out last year).**

SUBSTITUTES NEEDED

The Founders Academy Public Charter School seeks paid substitute teachers for middle and high school for the 2021-2022 school year!

Subjects covered can vary. Both day by day and permanent positions available: hours are 7:30 AM until 3:30PM. The rate is \$75/per day.

Please send resume and recommendations to Jackie Meilleur, The Founders Academy, 5 Perimeter Road, Manchester, NH 03103 or j.meilleur@tfanh.org.

Soccer Team Survey

From Dr. Donnelly's Round Table:

Dr. Donnelly's Round Table has worked hard to form the idea of creating a soccer team, or some other sports team for the school. In order to get things rolling (no pun intended) a survey is being conducted to see how much interest there is among the students. The survey is being sent out to all families so discussions and decisions can occur at home. We ask that all of you please fill out this questionnaire because it will indicate whether we should move forward with our idea. The form can be filled out [here](#). Make sure you answer honestly and thank you all in advance from Dr. Donnelly's Round Table!

Free At-Home COVID Tests

Four free at-home COVID tests per family can be ordered [here](#) through a new, nationwide initiative launched this week.

NHDOE Interviews

Currently, the charter school program at NHDOE is being monitored by USED, in a similar fashion to how our program conducts onsite monitoring visits with each of our school grantees. Part of the federal monitoring process is for contractors from WestEd to speak with CSP grantees. Our school has been selected through the USED review process to participate in a virtual interview.

The contractors from USED are not monitoring our school as a grantee, but rather, they are interviewing grantees to evaluate NHDOE's compliance with federal requirements through their partnership with each of you. You may feel free to answer openly and share feedback and information as you see fit.

For parents, they will ask about their history with the school - what attracted them, how they enrolled, what types of activities and services their student(s) participate in. For teachers, they will ask about how long they have taught at the school, what their background is, what types of curriculum they use, and about their PD experiences. Both interviews help give them the perspective of different stakeholders at the school.

If you are interested in participating in these interviews on February 10 from 4-4:30 virtually, please let Dean Hayes know ASAP.

Winter Game Nights

The high school senate is looking for donations for the winter game nights, which are postponed until further notice. If you are able to donate please take a look at the sign-up genius [here](#).

Senior Project Assembly

As part of a student's senior project, an assembly is being held to teach students and staff members about anxiety. The presentation is sourced from a representative of [NAMI \(National Association of Mental Illness\)](#). It will include warning signs, facts, and how to get help for themselves or a friend. The presentation will be on a date to be decided. If there are any questions about this presentation please feel free to reach out Ms. Cote at e.cote@tfanh.org (project advisor) or Halie Breault at halie.breault@tfanh.org (senior).
