Dean Hayes's Weekly Message

Greetings Founders Community,

Last week I sent a letter to families letting you all know the 22-23 budget was passed by the board of trustees. In that letter I also highlighted our continued need for support. Since the letter was sent we have received \$1,550 in donations towards the annual fund! We are so lucky to be a part of such a great community. The full letter can be found [here](#).

Thank you for your support.

-Cassie Hayes
Dean of School

The Founders Mission Statement

The Founders Academy is a public chartered school encompassing grades 6 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

Need to Know

MISSION-BASED ACTIVITIES FOR FAMILIES

Immigrants to the U.S. often become great entrepreneurs. Here are the names of three recent immigrants who made major contributions to the U.S. Do you know where they came from and what was their major contribution? Sergey Brin, Levi Strauss, and Charles Pfizer.

2:25 PICKUP PROCEDURE and MORNING DROP OFF

We are aware there are challenges to the 2:25 dismissal procedure. Below are some updated procedures that we are asking all students, staff, and parents to follow.

1. Anyone who is at the school for the full day (students and staff), can park in the back, on the side, or at the far end of the parking lot. No one should be parked at the school for the full day between the hill and the crosswalk.
2. All students who leave at 2:25 should park in the back.
3. Any parent picking up at 3:10 should come to the parking lot AFTER 2:45 to allow time for the 2:25 pickup traffic to clear out.
4. All parents MUST park in a spot for 2:25 pickup. No cars will be allowed on the side of the driveway or on the hill. Students will not be permitted to walk off the property at 2:25 to get a ride in another parking lot. REMINDER: handicap spots are for cars with a handicap pass only.
5. Parents and students should be vigilant while walking and driving in the parking lot.

We have noticed several families dropping off between 7:40-7:50am. Our regular drop off pattern ends at 7:40 so teachers and students have time to get to class and be ready for the 7:45 start time. There is a lot of congestion between 7:40-7:50 because there are no traffic guides at that time. It is strongly recommended that students are dropped off between 7:20 and 7:40 to the traffic issues after that time.

NIGHTLOCKS

Students received information about a school community project that we are working on. Each Round Table has been asked to organize a fundraiser to raise funds for the Nightlock for their Round Table room. This is a great way for students to take the lead on a project and give back to their community. The students have raised about \$3,000 so far! Most Round Tables have completed their projects, a few are still working on their plan.

All of the locks have been installed by NorthPoint construction. At this time, we are estimating the total cost of the project to be about \$6,000. We are halfway to our fundraising goal!

As I mentioned to the students, I want them to get creative and utilize their parents! So, how can you help? Parents and other community members can donate to the installation of the locks and/or other locks in the building. We look forward to all working together to give back to our school community. Please reach out to Dean Hayes for more information.

PARENT EXEMPTION FORM STATE TESTING

If you would prefer to exempt your student from taking state testing, please click on [this link](#). To fill out the form you can either print it and send it into school with your student, or you can make a copy of the document (click File in the left-hand corner, then click Make a Copy), fill it out, and email it to cassie.hayes@tfanh.org.

SCHOOL MD CONSENT FORM

As you are aware, we have medical personnel on staff from 7am to 10am every day. From 10am-3pm they are offering remote services for us to access. If a student needs minor medical assistance, like a COVID test or other diagnostic services, we call the parent for consent. To expedite this process, we have created a form that parents can fill out to give us consent for our medical personnel to work with students.

[Here](#) is the consent form. Once you click the link, a message will pop up saying "Would you like to make a copy of the document?" **Please make sure you click the blue button that says "Make a copy."** This will ensure that you can fill out the document.

Completed forms can be emailed or dropped off to the front desk.

Yard Sale!

Cocheco Academy of the Arts will be holding a Moving Sale on April 16, 2022 from 9:00 am to 1:00 pm. Schools sales locations are 40 Hampshire Circle and 4 Tolend Road, both in Dover, NH. All NH Charter Schools are invited to the sale with 50% off all prices to anyone with a charter school ID. Many items will be cash and carry. Some will need to be picked up at the end of the school year. There will be lots of textbooks, classroom furniture, office furniture, office supplies, storage cabinets, lockers, and more. Everything must go. Any questions should be directed to Brenda McCartney at bmccartney@cochecoarts.org.

BEFORE SCHOOL CARE/AFTERNOON HOMEWORK CLUB

Notice: When you send in a check or cash for before school care and/or homework club, please specify on the check or the envelope which dates you are paying for and if you are paying for before school care, homework club, or both.

Founders offers before and after school care for students. These programs will start the first day of school. Before school care allows for students to be dropped off at 7am (as opposed to regular drop off at 7:20). After school care, Homework Club, runs from 3:15-6:00pm. Students will have academic and social/emotional support during Homework Club.

To join these programs, please fill out this [form](#).

CALL LIST FOR IMPORTANT ANNOUNCEMENTS

When The Founders Academy has to make very important announcements - such as school delays, unplanned early dismissals, or cancellations - we use an automated dialing system. Due to this year's pandemic, it is especially important for parents/guardians to receive these calls so that we can quickly distribute information regarding our school.

Please fill out [this form](#) to be added to the Call List. You are able to enter which phone numbers are called. If you have more than one student, please fill out a separate form for each. **We begin each school year with a blank call list, so if you do not fill out this form, you will not receive any phone notifications when we have school delays or cancellations (even if you filled this out last year).**

SUBSTITUTES NEEDED

The Founders Academy Public Charter School seeks paid substitute teachers for middle and high school for the 2021-2022 school year!

Subjects covered can vary. Both day by day and permanent positions available: hours are 7:30 AM until 3:30PM. The rate is \$75/per day.

Please send resume and recommendations to Jackie Meilleur, The Founders Academy, 5 Perimeter Road, Manchester, NH 03103 or j.meilleur@tfanh.org.

- APRIL VACATION!!!

Senior Walk with Manchester Police Department

The Manchester Police Department hosts senior walks once per week with seniors in the community. They have invited The Founders Academy to partner with them so the participants are able to chat with current middle and high schoolers. We are looking for student volunteers to participate in this community service event. Additionally, we are looking for 1-2 parent drivers to help transport the students to and from school. Please know this event takes place during the school day. Here is more information on the program:

The Manchester Police Community Affairs Division announces the 2022 Spring Senior Walks. These walks allow seniors to exercise, socialize and experience Manchester with Manchester police officers. Walks are held Monday mornings at 9am unless otherwise noted. The walks are approx. 2-3 miles and take about one hour to complete.

NHDOE Survey

The [New Hampshire Department of Education](https://www.nhdoe.com) wants to hear from you. The annual 603 Bright Futures survey is now available, with specific surveys for Families, Educators and the Community. It's well worth your time to provide input that can help guide state education policy.

The 603 Bright Futures Survey is available now through April 29. This spring, it is especially important to hear feedback from your district and community. It has been two years since the start of the COVID-19 pandemic, and much has changed since that time. While communities start to recover from all of the disruptions, it is critical to understand how staff, families and communities have been impacted, and how they will move forward to plan for the upcoming 2022-2023 school year.

Receive College Credit for Taking Courses at The Founders Academy

The Founders Academy has partnered up with Manchester Community College to help students receive college credit while simultaneously completing courses for high school credit. What does this mean? Students take a class during the school day here at Founders and receive credit towards their high school graduation and towards their college degree.

Through the Running Start Program, students can enroll in courses of their choice and pay only

\$150 for the entire 3-credit course. Even if students don't plan on attending Manchester Community College upon graduation from high school, these college credits transfer to many different colleges and universities. (For reference, the 2022 tuition for in-state undergraduate courses at the University of New Hampshire is \$471 per credit: <https://www.unh.edu/registrar/tuition-fees>).

At this time, students at The Founders Academy can receive college credit/high school credit towards 2 English courses: College Writing and Creative Writing. College Writing is considered a prerequisite to Creative Writing, so if you'd like to receive college credit for both of these courses, they must be taken in sequential order: College Writing in the fall semester and Creative Writing in the spring semester. All courses also need 5 students enrolled in the Running Start Program in order to run.

If you are planning your academic schedule ahead of time, please consider this amazing opportunity! Students have the chance to graduate from The Founders Academy with 2 college courses already completed and 6 college credits on their transcript for just \$300.00.

If you have questions about the **Running Start Program at Manchester Community College**, please contact Major Wheelock: mwheelock@ccsnh.edu.

If you have questions about the **College Writing** and **Creative Writing** courses here at The Founders Academy, please contact Dr. Donnelly: s.donnelly@tfanh.org.

UNH Dance Company Presentation

The UNH Dance Company will be presenting SPLASH in the Johnson Theatre at the University of New Hampshire March 31-April 3. Splash is an abstract interpretation of the impact humans have on the ocean. The story of the show is told through jazz, tap, aerial, modern and ballet.

It hopefully will expose students to the arts (music and dance) while also creating awareness about human impact on nature. This show is appropriate for all ages and includes ballet, jazz, tap, & aerial dance.

The show description is as follows:

The ocean is vast and full of creatures that are both beautiful and fearsome. From the largest of mammals to the smallest of fish, the beauty and wonder of the water remain a mystery to behold. It may seem small, but the impact of throwing that piece of trash can last a lifetime. Two dancers discover the effects of littering together when they go beneath the waves to swim with the turtles and amazing sea creatures. Along the way they are followed by the frightening trash creatures, created by the waste that humans leave behind. They experience first-hand the devastation that plastics and other waste have wrought on the fragile habitats that exist there. The Ballet and Jazz, Tap, Aerial companies come together to tell this dynamic and important story.

This show is a great conversation starter on the topics of sustainability, environmental health, and ocean health.

Ticket prices: \$16 adults/\$14 seniors/\$8 children.

Request from PTSG Staff Appreciation Team

The PTSG Staff Appreciation Team is working on a project and we need YOUR HELP! To show teachers how much we value them we are going to be doing weekly \$10 gift card giveaways! Our idea is that each Friday the Dean will pull the name of a staff member and they will receive a \$10 gift card that has been donated to the PTSG for this purpose.

Will you help by contributing \$10 gift cards?

Recommended places are:

- Dunkin Donuts
- Starbucks
- Common Man (there's a store right across from Olive Garden in Manchester)
- D'Angelos
- Trader Joe's (they sell ALL KINDS of treats there)
- Panera

We'd like the teachers to be able to purchase a snack or meal on us! Target and Walmart cards would likely be used on classroom supplies, so we are asking for food establishments.

You can turn the gift cards in at the front desk - please let them know that they are for the PTSG.
