THE FOUNDERS MISSION STATEMENT

The Founders Academy is a public chartered school encompassing grades 6 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

CALL LIST FOR IMPORTANT ANNOUNCEMENTS

When The Founders Academy has to make very important announcements - such as school delays, unplanned early dismissals, or cancellations - we use an automated dialing system. Due to this year's pandemic, it is especially important for parents/guardians to receive these calls so that we can quickly distribute information regarding our school.

Please fill out [this form](#) to be added to the Call List. You are able to enter which phone numbers are called. If you have more than one student, please fill out a separate form for each. **We begin each school year with a blank call list, so if you do not fill out this form, you will not receive any phone notifications when we have school delays or cancellations (even if you filled this out last year).**
