From the Dean of School

Greetings Founders Community,

One of the most important aspects of the Founders mission is character building. Founders develops leaders of the future by recognizing good character and supporting character growth.

For those of you who are returning families, you may recognize character grading as a strategy we use to develop good character. Over the past few years, character grading has not been defined clearly. Due to this lack of structure, character grading has not been as effective as it could be.

I am developing a committee to review the character grading process and would like to invite any interested parent, student, teacher, staff member, or board member to join. Please email me at cassie.hayes@tfanh.org if you are interested. We will collect a list of committee members and set meetings from there.

If you have any questions, do not hesitate to reach out.

-Cassie Hayes
Dean of School

THE FOUNDERS MISSION STATEMENT

The Founders Academy is a public chartered school encompassing grades 6 - 12 that is free and open to all New Hampshire students. The Academy develops leaders who understand and apply the lessons of the past, demonstrate exceptional character and lead by example. The Academy recognizes the importance of balance in the development of the whole person, and respects each student's journey.

Principled leadership is fostered by means of a curriculum of classical studies that includes analyzing the lives of great men and women of history, mining the rich classical ideals of the Western tradition, and tracing the evolution of the precious and costly idea of liberty.

Need to Know

POSITIONS OPEN

We are looking to fill these following positions:

- Chorus teacher
- Paraprofessional
- Special Education Teacher

If you are interested in any of these positions or know of anyone who would be interested, resumes can be sent to Dean Hayes at cassie.hayes@tfanh.org.

PHONE COMMUNICATION

We are aware there have been issues with phone and internet this week. We are working on it and hope to have a resolution by early next week.

Besides email, we use social media as an additional way to communicate with families. Please review [this documentation](#) which explains how Facebook pages are used.

SASS RESULT ACCOUNT LOG-IN

To find your students' SASS results, follow [these instructions](#) to log in to your account.

BEFORE SCHOOL CARE/AFTERNOON HOMEWORK CLUB

Notice: When you send in a check or cash for before school care and/or homework club, please specify on the check or the envelope which dates you are paying for and if you are paying for before school care, homework club, or both.

Founders offers before and after school care for students. These programs will start the first day of school. Before school care allows for students to be dropped off at 7am (as opposed to regular drop off at 7:20). After school care, Homework Club, runs from 3:15-6:00pm. Students will have academic and social/emotional support during Homework Club.

To join these programs, please fill out this [form](#).

CALL LIST FOR IMPORTANT ANNOUNCEMENTS

When The Founders Academy has to make very important announcements - such as school delays, unplanned early dismissals, or cancellations - we use an automated dialing system. Due to this year's pandemic, it is especially important for parents/guardians to receive these calls so that we can quickly distribute information regarding our school.

Please fill out [this form](#) to be added to the Call List. You are able to enter which phone numbers are called. If you have more than one student, please fill out a separate form for each. **We begin each school year with a blank call list, so if you do not fill out this form, you will not receive any phone notifications when we have school delays or cancellations (even if you filled this out**

last year).

BUSING INFORMATION

Here is detailed information regarding busing:

- The shuttle bus will leave Memorial HS no later than 7:10am every morning.
- The shuttle bus will leave Cardinal Lacroix Academy no later than 7:15am every morning.
- Students **can** be driven to Memorial HS or Cardinal Lacroix to pick up the bus.

All students/parents should fill out the Transportation Exception Request Form found here:

http://p8cdn4static.sharpschool.com/UserFiles/Servers/Server_1207585/File/Forms/2020-2021-MT A-Bus.pdf and email it to lori.ragas@tfanh.org. If you submitted your form after July 15, you may not have a neighborhood stop that is close to your home at this time. Please **submit the form** if you haven't already so that the Manchester Transit Authority (MTA) can readjust bus routes within the first two weeks of school.

If a student is in the Central HS or West HS district, they will pick up the Cardinal Lacroix/Founders bus at one of these neighborhood stops found at this link:

http://p8cdn4static.sharpschool.com/UserFiles/Servers/Server_1207585/File/Students/081921%20CARDINAL%20LACROIX%20to%20FOUNDERS%20Shuttle.pdf

They may also be driven to (or walk to) Cardinal Lacroix Academy and be shuttled to Founders from there.

If a student is in the Memorial HS district, they will pick up the Memorial HS/Founders bus at one of these neighborhood stops found at this link:

http://p8cdn4static.sharpschool.com/UserFiles/Servers/Server_1207585/File/Students/081921%20MEMORIAL%201-4%20ROUTES%20to%20FOUNDERS.pdf

They can also be driven to (or walk to) Memorial HS and be shuttled to Founders from there.

If parents have any questions about their routes, they can go to Founders website at:

<http://www.thefoundersacademy.org/home> and look for the big yellow school bus and click on the link there. Or they can go to the Manchester School District website at: <https://www.mansd.org/> and click on the yellow school bus there.

It is advised by the Manchester Transit Authority to check the route one last time the day before school starts on September 8 for any changes in times or locations that might have been made.

REOPENING PLAN - NEW INFORMATION

The full plan can be viewed on [our website](#). Please note the mask requirement will be flexible based on school and community transmission. As changes occur, they will be communicated through this newsletter. For the first day of school, the plan for mask requirement is below.

- Masks are **REQUIRED** when entering the building, walking in the hallways, and in community locations (such as bathrooms and cafeteria) unless the student or employee is eating or drinking.
- Masks are **REQUIRED** when a **6ft distance** can not be maintained. This will be enforced by teachers and staff.

- Masks are NOT REQUIRED when a student or employee can maintain a 6ft distance. (example, when a student is seated at their desk and 6ft from others)
- Masks are NOT REQUIRED outdoors.
- Masks are always an option even when not required.

BACK TO SCHOOL FORM: READY TO COMPLETE

By now, you should have received the Back to School form in your emails. Please fill out this form as soon as possible! If you have not received the form, please email lori.ragas@tfanh.org

PARENT EMAIL OPTIONS

This year Founders will allow parents the option of using a Founders email address or a personal email address. The Back to School form will ask parents to specify preference. Please know if you choose not to have an @tfanh.org email address, you must type your email address accurately to get emails from our school. Additionally, you will not be able to communicate with your student through his/her Founders email address. All students will have Founders email addresses and students are only allowed to receive emails from the @tfanh.org domain. If a parent already has their portal account set up with their @tfanh.org email address and chooses to use a personal email address instead, the portal will need to be reactivated, which we will do throughout the month of August.

SASS Testing

Convenient MD and The New Hampshire Department of Health and Human Services has partnered with The Founders Academy to offer the Safer at School Screening (SASS) Program for this school year.

With a common goal of full, in-person learning in mind, Convenient MD will be performing free COVID-19 testing of asymptomatic students, staff, and faculty on a bi-weekly basis at Founders. Parents and staff must opt in to this program to be tested.

If you would like to opt in to this program for your child, please click [here](#).

Founders Apparel Store

The Founders online apparel store is now open! Click [here](#) to browse. Purchases can be made through September 26.

NJHS Application

The Founders Academy is pleased to announce the addition of the National Junior Honor Society (NJHS) chapter to our school this year. This program strives to place emphasis on whole-person growth in school settings that stretch beyond academic achievement alone. The program pillars of service, leadership, character, and citizenship are integral in uniting the shared values of schools, communities, students, and families. Together with scholarship, these five pillars have been associated with membership in the organization since its inception almost a century ago in 1929.

Students who are in grades 6-9 and have a GPA of 3.33 or above qualify to apply for membership. Students who attended our school last year and achieved this level of academic excellence in the first three quarters of the year received an invitation to apply for membership along with a membership application packet at the end of the school year. They were also invited to the NJHS Class on Google Classroom. As a reminder, applications for membership MUST be turned in to Mr. Lucht, (faculty adviser), by the application deadline of September 22, 2021. Induction ceremonies have been scheduled for October 26, 2021.

New students to our school will have an opportunity to apply for membership after they have completed a minimum of two (2) grading semesters and have achieved a cumulative GPA of 3.33 or above. Invitations will be sent out to those students in February of 2022 with the spring Induction ceremony to be held in April of 2022.

Granite Gambit

As a result of the popular Netflix series, *The Queen's Gambit*, online chess has also become massively popular with Generation Z. In response to this, and in partnership with [Chess in Schools](#), the department has launched our own Granite Gambit to bring chess to our students.

Through Chess in Schools, teachers can participate in professional development that will show

them how to integrate the game of chess into their own instruction. We provide all of the materials and chess sets, including online access. The research is clear that when we engage students with their areas of interest, the learning is deeper and richer.

A gambit is defined as a device or action as a calculated risk to gain an advantage. Granite Gambit will give both educators and students an advantage. The program is fully funded, so there is no cost to the district. While some chess experience is helpful, it is not required. In fact, many if not most participating teachers in such programs start out with minimal chess knowledge.
